FOR IMMEDIATE RELEASE:

**Arcata based StreamGuys announces addition of ABS-CBN to client roster.**

Arcata, CA – March 30, 2005 — StreamGuys, Inc. announced today the addition of ABS-CBN Broadcasting Corporation (“ABS-CBN”) to its growing list of Internet streaming clients. ABS-CBN Broadcasting Corporation is the largest integrated media and entertainment company in the Philippines. ABS-CBN is principally involved in television and radio broadcasting, as well as the production of television programming for domestic and international audiences and other related businesses.

The Company is also one of the leading radio broadcasting companies, with 19 owned AM and FM radio stations and ten affiliated radio stations throughout the Philippines. The Company’s anchor radio stations in Manila, DZMM and DWRR, are the highest-rated stations in Mega Manila in the AM and FM bands, respectively.

“ABS-CBN has become a leading provider of streaming video products. We look forward to continuing to provide ABS-CBN with expanded services and the benefits associated with streaming their television signals over our network. ABS-CBN will continue to benefit from our cost effective delivery mechanism by making their content accessible to the public both inside and outside of the Philippines through the StreamGuys network.” noted Jed Perlmutter, Vice President of Business Development, StreamGuys, Inc.
